

EXTENDED HOURS PROGRAM

WEEK 2 OF SUMMER CAMP

JUNE 1ST – JUNE 5TH

Please send your child to camp EVERY DAY with lunch, water bottle, sunscreen, & backpack for belongings!

THEME: Friends!

Each day is packed with art, writing, games, and science experiments for your children! Here are a few highlights for this week:

MONDAY

Today we'll be getting creative with colorful coffee filter butterflies, lightning bug posters, and even some secret hidden messages. Campers will put their building skills to the test with LEGO games and dive into exciting STEM fun with escaping water and sunscreen painting! To top it all off, we'll stay active and laughing with group games like "Keep it up!". It's going to be a day full of creativity, discovery, and nonstop fun!

TUESDAY

Get ready for a splash-tastic day! Today we're getting creative with sparkling playdough, crinkle paper art, and a fun STEM challenge testing just how strong spaghetti can be. It's also Water Day, so we'll be soaking up the sunshine and spending half the day outside enjoying exciting games like sponge run, cup to cup, and pass the water balloon. Be ready for lots of laughter, creativity, and plenty of splashes! **Send your child to camp with swimsuits or clothes that can get wet and don't forget your towels!**

WEDNESDAY

In the morning we will be going Orchard Mesa Lanes for our very first field trip! Please have your child to camp by the required times listed in the reminders. Children cannot join us while we are off campus. If your child misses the bus, they will not be able to join us until we return from the first trip!

Once we get back, creativity will be flowing with crafts and STEM challenges such as watercolor yarn art, and gravity defying beads! It's going to be a day of fun and friends!

THURSDAY

Today we will explore colorful crafts like spiral suncatchers, bubble wrap stamp art, painting with bubbles, and a kindness rainbow to spread some cheer. Our STEM challenges will have everyone experimenting with bouncing bubbles and making super bubbles, while group games like flinch and captains orders will keep the energy high and the laughter going. It's going to be a poppin' good time you won't want to miss!

FRIDAY

It's Pool Day! We'll head to the pool after some fun activities, including silly faces, crazy glasses, an exciting exploding boomerang STEM challenge, and a round of boppity bop bop—get ready for a splashing good time! Have children come to camp with swimsuits and towels. We will head to the pool around 1:00pm! Parents will pick up at Lincoln Park Pool in the afternoon!
